Bill,

I need your assistance with placing three 6 yard at this location, behind the Salvation Army in the parking area.

This is going to be a pilot program in CD15 for one month and we will keep you updated when the bins need to be picked up.

The original 6-yard bin got damaged and was removed, so one of them would remain at the location.

I have also spoken to Gerardo Ramirez from the Harbor District who will provide service two times a week.

LAHSA, if you would please get the information about the bins to the homeless community at 255th and McCoy and to use them for their trash disposal it would be greatly appreciated.

I would like to thank all of the departments and agencies for contributing their resources to this request.

Harbor City Green Way
810 W. Lomita blvd. 90710
Behind Salvation Army building.
